

---

The meeting was called to order by Councillor Bobbitt at 6:01 pm.

**Attendance:** Deputy Mayor Shay, Councillors Bobbitt, Loder, Hunt

- 1. Draft Minutes:** First order of business was the issue of posting a draft form of Council meeting minutes on our web site. There was some discussion and then decided that the draft minutes would not be posted on the site. It was agreed that if a citizen requested the draft form would be available at the Village office one week after the meeting.
- 2. Outdoor Rink:** Next item concerned the viability of building an outdoor rink this season. It was decided that it wasn't practical from a manpower or budget perspective and the Village would not be doing it. It was suggested however by Councillor Bobbitt that administration contact the local service clubs to see if perhaps they would be interested in taking this project on. If so the Village would be willing to supply the location and a water source for flooding the ice.
- 3. Animal Control** Next item was more direct access to an animal control officer. Is there a more efficient way to contact animal control ? The Clerk will look into this.
- 4. Crosswalks** Next issue was the painting of our two crosswalks that DOT paved over this summer during a major re-surfacing project. DOT has agreed to have us hire a contractor and send the bill to them. Staff will have this done as so as possible.
- 5. NBPA Guide** Next item was a request from NBPA to take an ad in their annual guide....after some discussion it was decided to decline this request.
- 6. Dairy Town Classic** Next item was a request from the Dairy Town Classic group for a sponsorship. It was agreed to place this item on the next regular council meeting agenda with a recommendation to take an ad for \$75.
- 7. Street Lights** Street lights were requested for the new homes on Pugsley Street.
- 8. Next Operations Meeting – December 6 @ 6:00pm**
- 9. Adjournment - Councillor Bobbitt called an adjournment at 6:47 pm**

Some dates were suggested for budget preparation....Nov 06, 13 and 21. There was some discussion regarding the Christmas party at the Timberland.
