MAYOR'S COMMENTS:

A message from Mayor Wilkins:

“I would like to thank everyone for attending and also to congratulate all members of Council to this important event and remind them this is the first step to serve our community for the next four years and I look forward to working with each member of Council. There are three veterans and three rookies among us, and I will be relying on the veterans for guidance. During our first monthly meeting on June 15th, I will be recommending to council roles of responsibilities for each councillor that I believe would benefit the residents of the village. After that meeting I would like to suggest we begin our in-house orientation where I would like to read aloud two very important documents which is Code of Conduct and the Harassment and Discrimination Policy of which both will be required to be signed by each member. I would also like to suggest reading By-law #136-20 but if time does not permit this, I would suggest the honor system and ask each member to read this by-law”.

ADJOURNMENT:

There being no further business, Mayor Wilkins asked for a motion to adjourn.

M/C (Taylor)

Motion to adjourn the Council Meeting.

The meeting adjourned at 5:50 p.m.
